

Dear Valued Customers,

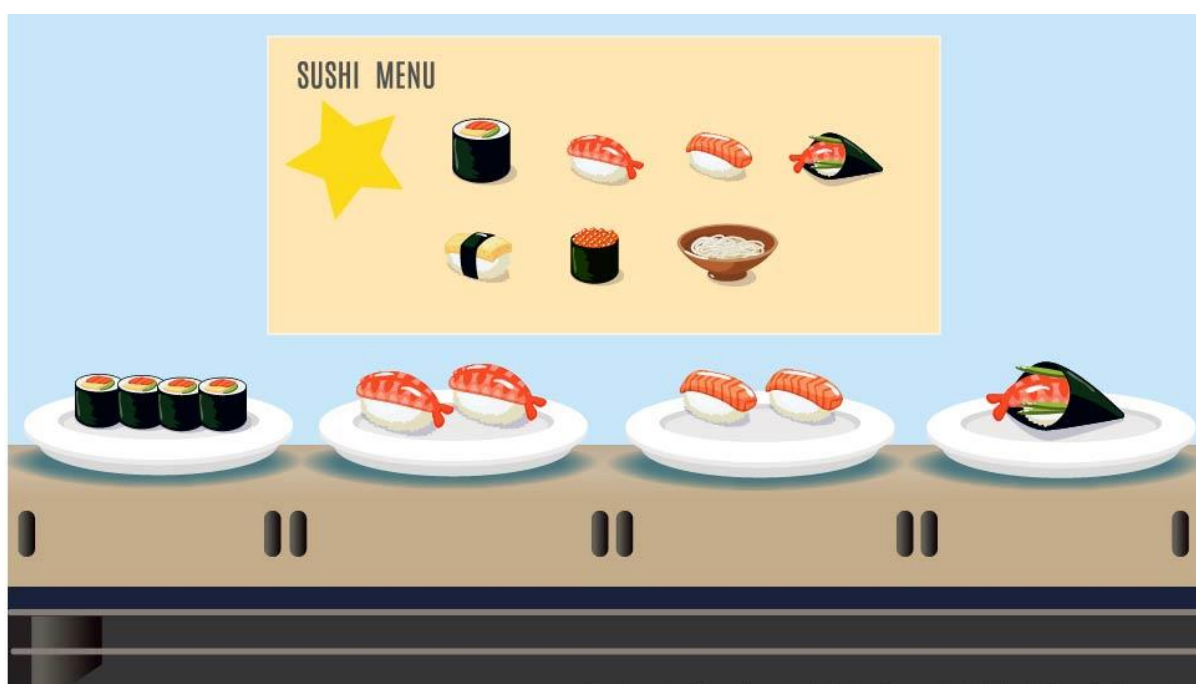

We would like to extend our utmost sincere appreciation in supporting Oriental Motor all these years.

Here's to wishing all of you Merry Christmas & a Happy New Year!

Management & Staff of
Oriental Motor Asia Pacific Pte. Ltd.

****Our office will be closed for holiday on 25th December 2018 & 1st January 2019.
For any enquires, please contact us at Sales@orientalmotor.com.sg**

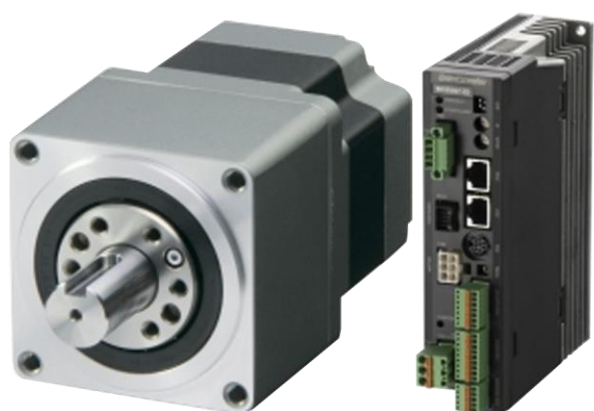

What kind of motor can improve sushi conveyor system in the future?

The conventional conveyor belt will rotate indefinitely. Customers will have to wait for the food they want, with the stepping motor **RKII** Series, customers can order food through a touch panel screen and send their food directly to the customer's seat as the **RKII** Series can control its stopping position. Also, with high torque and low vibration, food can come quickly without spillage.

5-Phase Stepping Motor and Driver Packages
